

COMPUTER  
SCIENCE  
SOCIETY

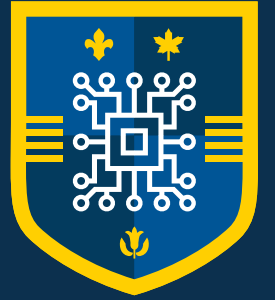

University of Windsor

**Computer Science Society**

# Who Are We?

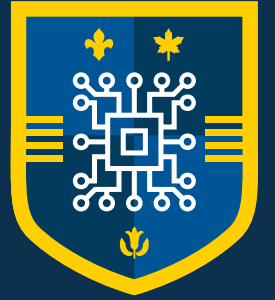

- The Computer Science Society (CSS) is a group of elected students representing all undergraduate students enrolled in Computer Science at the University of Windsor.
- We aim to improve the university experience for all CS students by hosting **events, workshops, challenges, resume critiques** and more!
- We remain active on our social media accounts, posting updates regarding events and important academic dates.
- Our goal is to help build a welcoming and supportive society!

# How to Get Involved

- The Computer Science Society has its own [constitution](https://css.uwindsor.ca/about) that outlines the duties and responsibilities of all positions.
  - <https://css.uwindsor.ca/about>
- The majority of positions on CSS are elected, with a few exceptions.
- Elections for most CSS positions occur once every year around March. Terms begin in the month of May.
- Our First Year Representatives are elected at the beginning of the Fall Semester.

# Event Highlights

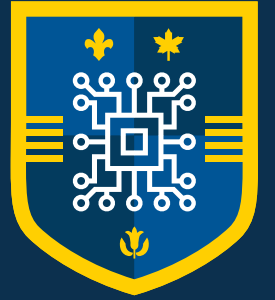

## CSS Wiki Race

On March 11th, we hosted an online Wikirace. The winner received a Raspberry Pi 3 starter kit.

## CSS Chess Tournament

On June 28th, we held an online chess tournament on [lichess.org](https://lichess.org) in our Discord server.

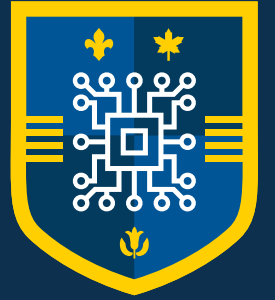

# Event Highlights

## Resume Critiques

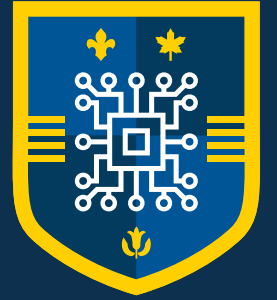

Hosted by our Career Advisor Abdulaziz Khan, any student drafting up a computer science resume can schedule a one-on-one interview with a CSS representative to help create an impressive resume!

# Computer Science Games

- The Computer Science Games are a **3-day collegiate competition** challenging all aspects of computing. The competition is open to all undergraduate students in Canada.
- Over the weekend, teams compete in multiple events simultaneously.
- Competition topics include Artificial Intelligence, Hardware, Databases, Security, Robotics, etc.
- The Computer Science Society has sponsored students to attend the competition for years.
- We handled the recruitment, arrange travel plans, and host practice sessions to prep the teams.

# How To Reach Out To Us

- Feel free to reach out to our social media applications!
- Facebook: <https://www.facebook.com/uwindsorcss/>
- Instagram: <https://www.instagram.com/uwindsorcss/>
- Twitter: <https://twitter.com/uwindsorcss>
- LinkedIn: <https://ca.linkedin.com/company/uwindsorcss>
- Discord Server: <https://css.uwindsor.ca/discord>

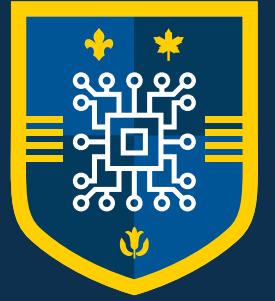

# Join Our Discord!

- We made a [Discord server](#) for all students in Computer Science so everyone has a means of communication with other students of the same program.
  - Over 1150 members have joined!
  - Discord is a free application that makes communicating with other students easy through the use of channels.
- Classes are organized into separate text channels so students may ask for course-specific help.
- Students may also speak to teaching assistants and alumni regarding their academics.
- The server also features upcoming events and opportunities to help ensure success.
